*Putting your children First and Foremost!*

# LINDA LUMIN

## Over this past year, I've voted to:

- Refinance several CFDs that yielded an extra \$3 million to our kids with no increase in taxes
- Support a resolution for tobacco-free school
- Increase school counselor days from 200 to 205 per academic year
- Approve our Strategic Plan for the Arts
- Adopt a resolution to become an Arts Equity School District
- Continue the Peer Assistance and Review Consulting Teachers and Induction Program
- Approve on-going Career Technical Education needs and course outlines
- Approve School Plans for Student Achievement
- Approve the on-going and outstanding collaborative work of both Murrieta Teachers Assn. and California School Employees Assn., in the Ad Hoc and negotiation processes
- Voted for stakeholder participation in the Measure BB Oversight Committee
- To support collaborative relationships with colleges and universities including: Cal State University-Fullerton, Grand Canyon U, La Sierra U, Alliant International U, Azusa U, and Pacific U, etc.
- To support community partnerships through shared facility use, using Facilitron
- Restructure our election processes to include Trustee Areas to ensure equitable opportunities for all voters and all candidates
- Approve overnight and out of state student field trips
- On-going, district-wide site facility improvements for Audio Visual, network and wireless infrastructure and Average Daily Attendance upgrades

## About me

I learned a Bachelor of Science in Zoology from Colorado State University and worked professionally in the companion animal welfare field before marrying my husband, Jim, in 2001. Jim works for Thales Avionics as a civilian contractor with the US Marine Corps on Camp Pendleton. We moved here from WA State in 2008 with our daughters, Johanna and Zenaide, (both are old family names honoring beloved relatives!) After enrolling the girls at Lisa J. Mails Elementary School, I became active in the classroom, and with PTA.

*Caption will go here and explain picture.*

**During** the past 10 years I have served as an executive officer on three different PTA boards: Lisa J. Mails PTA (multiple roles and President), Murrieta Valley Council PTSA (serving all 16 PTAs in the Murrieta Valley Unified School District [MVUSD] as President) and finally, 23rd District PTA (serving over 240 PTAs throughout Riverside County, as 1st VP-Leadership).

**Because** of my leadership and excellent community relationships, I was invited to serve on the LCAP Advisory Committee, the MVUSD Action Team for Partnerships Advisory Committee, among other positions.

**I have** since been at the school sites on a daily basis, listening to students, parents, MVUSD employees and our community partners as they share what is important to them. *My focus on family engagement is rooted in my belief that parent involvement is critical to student learning and achievement. Research supports this belief and I am proud of MVUSD's long history of supporting parent rights and engagement at all levels.*
